The Company recorded \$13.9 billion and \$3.0 billion of Liabilities Subject to Compromise as at December 31, 2020 and 2019, respectively, and settlement expense of \$11.1 billion in 2020, \$0 in 2019. The 2020 expense included \$11.1 billion which includes the \$8.344 billion DOJ settlement that was executed by the Company, \$225.1 million for the DOJ settlement that was executed by the Shareholders of the Company, and \$1.275 billion and \$1.247 billion related to the Company's best estimate for the probable loss related to opioid-related cases against the Shareholders and Company, respectively for 2020, which is consistent with the Disclosure Statement.

*Shareholder Settlement*

On September 11, 2019, the Company announced that it had reached an agreement in principle on a framework for settling the U.S. opioid-related actions brought by state attorneys general, local governments, and other entities to reach a final resolution of all outstanding claims (the "Proposed National Settlement"). Under the Proposed National Settlement structure the Company's existing shareholders would: (1) relinquish all of their equity interests in the Company and consent to the transfer of all of the Company's assets to a public benefit company or similar post-bankruptcy emergence structure for the benefit of claimants and the U.S. public; (2) divest their non-U.S. pharmaceutical companies; and (3) contribute a minimum of \$3 billion over seven years, with potential additional contributions if the proceeds from the divestiture of the non-U.S. pharmaceutical companies exceed \$3 billion.

In re: PURDUE PHARMA L.P., et al.,

Debtors

Case No.: 19-23649 (RDD)

Reporting Period October 1, 2021 to October 31, 2021

The Debtors filed a Plan and Disclosure Statement on March 15, 2021. The Plan significantly increases the value available to creditors compared to the Proposed National Settlement, most notably by raising the amount that the Company's existing shareholders will be required to pay in the aggregate from \$3.0 billion to \$4.5 billion. Of this sum, \$4.275 billion will be paid for the benefit of creditors in this bankruptcy case over 9 years (10 years if certain amounts are paid ahead of schedule in the first 6 years) as set forth in the Plan.

The Company's shareholders entered into a settlement agreement directly with the DOJ in November 2020. The Company's shareholders paid the DOJ \$225.1 million in November 2020, which is inclusive of interest. The settlement payment made by the Company's shareholders was recorded as a settlement expense and treated as a capital contribution.

The Company had concluded that it was probable that a loss has been incurred as a result of the Proposed National Settlement, and the Company recorded a provision in its 2018 consolidated financial statements for the initial Proposed National Settlement in accordance with ASC 450, Accounting for Contingencies, in the amount of \$3.0 billion. As no amount was better than any other in the range, this represented the low end of the range of the loss which the Company ultimately expected to be paid by the principal shareholders of the Company.

In 2020, the Company recorded an additional loss of \$1.275 billion related to the amended Proposed National Settlement for a total of \$4.275 billion, representing the amount in excess of the \$3 billion accrued in 2018; and the Company concluded that it is probable that a \$4.275 billion loss has been incurred for the Proposed National Settlement in accordance with ASC 450, Accounting for Contingencies, representing the amounts the Company's shareholders are required to pay as described in the Disclosure Statement. The corresponding liabilities associated with the settlement charge of \$4.275 billion and \$3.0 billion are included in Liabilities Subject to Compromise at December 31, 2020 and 2019, respectively.

The Company will reclassify the liability that will be paid by the Company's shareholders to equity as a capital contribution at such time as a settlement agreement is executed and the shareholders are legally bound to make the cash settlement.

#### *Company Settlement*

The Plan also incorporated a mediated agreement as to the fixed amounts that will be paid to various classes of private creditors, with residual value under the Plan being distributed through two newly established national opioid abatement trusts, the National Opioid Abatement Trust (the "NOAT") and the Tribe Trust, on account of the claims brought by state and local municipalities and counties and Native American tribes. The vast majority of the filed Proofs of Claim assert unsecured opioid litigation claims, including the claims included in the following classes under the Plan: Non-Federal Domestic Governmental Claims (Class 4); Tribe Claims (Class 5); Hospital Claims (Class 6); Third-Party Payor Claims (Class 7); Ratepayer Claims (Class 8); NAS Monitoring Claims (Class 9); NAS PI Claims (Class 10a) and Non-NAS PI Claims (Class 10b). While there are claims filed against the Company as Secured Claims (Class 1) or Other Priority Claims (Class 2) the claims have not been evaluated or deemed allowed by the Bankruptcy Court and the Company does not believe it is either probable or estimable that this will become an allowed claim, under ASC 852, Reorganizations. Further, the Company does not believe these claims are probable or estimable under ASC 450. The Federal Government Unsecured Claims (Class 3) are covered by

Debtors

part of the Company's DOJ settlement of \$8.344 billion (see below).

Because of the number of claims made against the Company and the complexity and expense of litigating the validity and amount of each of the filed claims, the Company does not expect the Company or the Bankruptcy Court to ever make a determination on whether any particular claim will ultimately be allowed, nor will there be a claims allowance process heard by the Court. Rather, the Company and the various creditor groups worked through mediators to negotiate cash distribution amounts that are proposed to be distributed on account of claims included in Classes 4-10, in the total estimated amount of approximately \$5.5225 billion. The NAS and Non-NAS PI Claims (Classes 10a and 10b) have a combined cash funding range of \$700 million to \$750 million. As no amount is better than any other in the range, in calculating the \$5.5225 billion, the Company assumed the low end of the range of the loss for this Class. The Company has concluded that it is probable that a loss has been incurred and the Company recorded a provision in its 2020 consolidated financial statements in accordance with ASC 450, Accounting for Contingencies, in the amount of \$1.2475 billion, representing the difference between the \$5.5225 billion and the \$4.275 billion recorded related to the Company's shareholders proposed cash contribution.

There are other claims that have been filed against the Company that are not included in the settlement proposals described above that in aggregate are in excess of \$600 million. These claims range from those filed by physicians, dentists, wholesalers, treatment centers and other Sackler entities. The Company either does not consider these claims to be valid, anticipates the claims will be released under the settlement proposal, or views the loss accrual as neither probable, nor estimable under ASC 450.

#### *Federal Matters (Company DOJ Settlement)*

In July 2020, the DOJ filed claims in the Chapter 11 Cases in the aggregate amount of at least \$12.5 billion relating to PPLP's past practices related to the production, sale, marketing and distribution of opioid products.

On October 21, 2020, PPLP entered into (i) a plea agreement (the "Plea Agreement") with the United States, acting through the United States Attorney's Office for the District of New Jersey (the "NJ USAO"), the United States Attorney's Office for the District of Vermont (the "VT USAO"), and the United States Department of Justice, Civil Division, Consumer Protection Branch ("DOJ Consumer Protection"), and (ii) a civil settlement agreement (the "Civil Settlement Agreement" and, together with the Plea Agreement, and including the settlements contemplated thereby and the other terms and conditions thereof, the "DOJ Resolution") with the United States, acting through the United States Department of Justice, Civil Division, Commercial Litigation Branch ("DOJ Commercial Litigation"), NJ USAO, and VT USAO and on behalf of the Office of Inspector General of the United States Department of Health and Human Services ("HHS-OIG"), the Defense Health Agency, acting on behalf of the TRICARE Program, 10 U.S.C. §§ 1071-11 10b ("TRICARE"), and the Office of Personnel Management. The DOJ Resolution fully resolves the DOJ's civil and criminal investigations into PPLP's practices related to the production, sale, marketing and distribution of opioid products from May 2007 through the present.

Under the Plea Agreement, PPLP agreed to plead guilty to three counts as detailed in the Plea Agreement: (i) a dual-object conspiracy to defraud the United States and to violate the Food, Drug, and Cosmetic Act, (ii) conspiracy to violate the Federal Anti-Kickback Statute related to Purdue's payments to healthcare providers,; and (iii) conspiracy to violate the Federal Anti-Kickback Statute related to Purdue's payments to Practice Fusion.

In re: PURDUE PHARMA L.P., et al.,

Debtors

Case No.: 19-23649 (RDD)

Reporting Period October 1, 2021 to October 31, 2021

The Bankruptcy Court approved the Debtors entering into the DOJ Resolution on November 18, 2020. The DOJ Resolution provides for the following:

1. a \$2 billion criminal forfeiture judgment which will be treated as an allowed super priority administrative claim in the bankruptcy (the “DOJ Forfeiture Judgment Claim”);
2. \$3.544 billion in criminal fines which will be treated as an allowed, unsubordinated, undisputed, noncontingent, liquidated general unsecured claim in the bankruptcy (the “DOJ Criminal Fine Claim”); and
3. a \$2.8 billion civil damages claim which is an allowed, unsubordinated, non-contingent, liquidated general unsecured claim (the “DOJ Civil Claim”), subject to certain rescission rights on the part of the DOJ.

While the total amount of claims under the DOJ Resolution is \$8.344 billion, only the \$2.8 billion DOJ Civil Claim was allowed by the court order approving the Debtors entering into the DOJ Resolution. The other two claims will become allowed upon the later of (i) the entry of a judgment of conviction by the United States District Court for the District of New Jersey (the “District Court”); and (ii) confirmation of the Plan. On November 24, 2020, PPLP pled guilty before the District Court to the three felony counts set forth in the Plea Agreement.

The timeline for plan confirmation and emergence from chapter 11 is expected to include, among other things: (1) approval of the pending Disclosure Statement and motion to approve the Disclosure Statement and solicitation and noticing procedures and materials (the “Disclosure Statement Motion”) and a related scheduling motion (the “Motion for Schedule and Protocols”); (2) voting on the Plan by eligible creditors; and (3) confirmation of the Plan by the Bankruptcy Court following a hearing.

Pursuant to the Plea Agreement, the sentencing hearing in the District Court is expected to take place at least 75 days following confirmation of a Plan (and at least seven days before emergence). Prior to the sentencing hearing, PPLP may withdraw from the Plea Agreement if: (1) the Bankruptcy Court rejects, or otherwise declines to confirm, a Plan that provides for the emergence of a public benefit company (or entity with a similar mission); or (2) the Office of Inspector General, U.S. Department of Health and Human Services exercises, or states an intent to exercise, any available authority to exclude PPLP’s successor public benefit company (or entity with a similar mission) from participation in federal healthcare programs. At the sentencing hearing, the District Court will decide whether to accept the Plea Agreement. If the District Court rejects the Plea Agreement, Purdue or DOJ may withdraw from the Plea Agreement. If the District Court accepts the Plea Agreement at the sentencing hearing, it will enter the \$2 billion forfeiture judgment and a judgment of conviction will be entered soon after the sentencing hearing.

Upon entry of the judgment of conviction, and so long as a plan of reorganization has been confirmed, then:

1. the \$2 billion DOJ Forfeiture Judgment will be treated as an allowed super priority administrative claim in the bankruptcy; and
2. the \$3.544 billion DOJ Criminal Fine Claim will be treated as an allowed, unsubordinated, non-contingent, liquidated general unsecured claim in the bankruptcy.

Case No.: 19-23649 (RDD)

**Debtors**

**Reporting Period October 1, 2021 to October 31, 2021**

Pursuant to the Plea Agreement, the United States has agreed to provide an offset credit (the “Forfeiture Judgment Credit”) for value distributed or otherwise conferred in settlement of claims asserted by upon the non-federal government creditors, up to \$1.775 billion (out of the \$2 billion DOJ Forfeiture Judgment), provided that the Debtors obtain confirmation of a Plan that provides that all of the Debtors’ assets are transferred to a public benefit company (or entity with a similar mission). The Company will make a \$225 million upfront payment to the United States in partial satisfaction of the DOJ Forfeiture Judgment within three business days following the entry of a judgment of conviction pursuant to the Plea Agreement.

If the Bankruptcy Court does not confirm a Plan of Reorganization in the Chapter 11 Cases that provides for the emergence from the Chapter 11 Cases of a public benefit company (or entity with a similar mission), the Company and the United States each have the option to rescind the Civil Settlement Agreement. In addition, if Purdue defaults on any material obligation under the Civil Settlement Agreement, if a Plan otherwise consistent with the Civil Settlement Agreement is not confirmed or the Chapter 11 Cases are dismissed or converted, or the Debtors’ obligations under the Civil Settlement Agreement are voided for any reason, the United States may rescind the Civil Settlement Agreement.

Pursuant to the Plea Agreement, PPLP is obligated to cooperate with the NJ USAO, the VT USAO, and DOJ Consumer Protection Branch in their ongoing investigations (and resulting prosecutions, if any) of individuals and third parties arising out of conduct relating to PPLP. The Company is complying with this obligation, and continues to respond to subpoenas, CIDs, and requests for documents and information from the federal government in connection with these investigations.

The Company recorded liabilities subject to compromise of \$8.344 billion representing the total of the DOJ claim amounts. With regard to the total accrual of \$8.344 billion, \$2.8 billion was allowed by the Court, recorded under ASC 852, with the remaining claim amount of \$5.544 billion recorded under ASC 450 based on the already signed settlement agreement with the DOJ, and as such the Company concluded that its liability under the settlement with the DOJ was probable and estimable. As noted above, the Company believes that the ultimate payment on account of the DOJ Forfeiture Judgment will be \$225 million subject to the settlement agreement provisions described above.

On May 24, 2021, in supplements to the Disclosure Statement and the Plan, the Company agreed to a payment of \$20 million in full and final satisfaction of the other Federal Government Unsecured Claims (Class 3) which represent the other Federal Agency Claims filed by HHS, VA, HIS, and the Centers for Medicare & Medicaid Services. The \$20 million was recorded under ASC 450 as a loss is deemed probable and estimable based on the agreement reflected in the Disclosure Statement and Plan.

### *Canadian Litigation*

In addition to the civil litigation filed in the United States, the Company also faces lawsuits filed in Canada by a proposed class of Canadian provincial and territorial governmental plaintiffs related to the marketing of OxyContin. The lawsuits were filed against Purdue Canada (which is an entity owned by related parties of the Company for the ultimate benefit of the Sackler family), the Company, and other manufacturers and distributors of opioid products. On December 30, 2019, following a motion filed by the Company, the Ontario Superior Court of Justice (Commercial List) presiding over the Company’s ancillary proceedings under the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended, issued an order recognizing the Preliminary Injunction and staying all actions,

proceedings and claims related to the prescription of opioids in Canada as against the Company and certain other related parties. Claims against the Company, which were filed in the amount of approximately \$67.4 billion, in respect of the Canadian governmental class action lawsuits are expected to be resolved through the Company's emergence from bankruptcy with all other claims. The claims have not been evaluated or deemed allowed by the Bankruptcy Court and the Company does not believe it is either probable or estimable that this will become an allowed claim, under ASC 852, Reorganizations. Further, the Company does not believe the claim is probable or estimable under ASC 450.
